

MINISTRY VACANCIES June 2010

Southwell & Nottingham Diocese is a great place to be in ministry for mission! We have generous churchgoers, lovely churches and our cathedral is a gem. It's a varied and exciting area to live in, with excellent access to other parts of the UK. We take care of our clergy with good quality vicarages and supportive deanery colleagues. Fresh stipendiary/non-stipendiary/retiring/part-time clergy are welcome!

NEWARK ARCHDEACONRY VACANCIES

There are no specific posts advertised in the Newark Archdeaconry this month. However the Archdeacon would like to hear informally from clergy interested in the following ministries which will become available during 2010/11:

- Parish priests who can bring a mission mindset and imagination to varied village communities in the greater Southwell and greater Newark areas. Must be able to work with other clergy and lay colleagues across large areas comprising multi-parish benefices and clusters. Church life is flourishing in some places and is rather modest in others. Good deanery support. Very pleasant vicarage accommodation with good access to schools and transport connections.
- Clergy with the gifts and appetite for Church of England secondary school chaplaincy. These posts (possibly 2) will be highly strategic so some previous experience of ministry in schools is desirable. The Diocese has a positive approach to children, young people and schools with good education department and senior staff support.
- Clergy interested in part-time stipendiary posts.

Archdeacon Nigel awaits your emails and phone calls.
